Bedell Cristin

Specifier	Design Cayman
Location	Grand Cayman, Cayman Islands
Products	Ellipse Hanging Panels + Hanging Panel Track System
Felt Colors	150 Weiß, 170 Asche, 175 Graphit
Photographer	Wilfred Bignal-Ebanks

At the Grand Cayman law offices of Bedell Cristin, Ellipse Hanging Panels in three shades of all-natural, undyed wool hang throughout the space to provide patterning, natural sound softening, and privacy. The panels provide space division without traditional walls and are hung in fixed positions on FilzFelt's Hanging Panel Track System with suspension cables.
