

Commerce Bank

Project Profile

filzfelt •

Commerce Bank

Specifier	V Three Studios
Location	St. Louis MO
Product	Rain
Felt Color	150 Weiß

For the Clayton Branch of Commerce Bank, V Three Studios designed and modernized the space to align with Commerce's new banking approach that focuses on personalized customer interaction while maintaining a space that is open and inviting. In a series of private meeting rooms, Rain lines the walls providing a sound-softening backdrop to maintain acoustic privacy while the 100% Wool Design Felt in 150 Weiß allows the small spaces to feel light and open.
