Project Profile

filzfelt •

Denver Art Museum

Specifier	Jessica Doran
Location	Denver CO
Products	Plecter Aline + Plectere Curve
Felt Colors	150 Weiß + 312 Lagune
Photographer	James Florio

At Café Gio, the casual dining restaurant in the Denver Art Museum, Plectere provides an artful backdrop in the colorful space. Plectere Aline panels create a room divider above a banquette and a custom Plectere Curve screen cleverly disguises a circular column. Two felt colors kick the patterning up a notch in the dimensional, braided screens.
