Hotel Forty Five

Specifier	BRPH
Location	Macon GA
Product	ARO Grid 3
Color	05 Ice

Hotel Forty Five, a Tribute Portfolio Hotel by Marriott located in downtown Macon, Georgia, is an adaptive reuse of an eleven-story office tower built in 1939. ARO Grid 3 extends across the ceiling at the Loom restaurant in graceful arcs overhead. The soft grey creates a soothing expanse of patterning overhead while the acoustic panels quiet the bustling restaurant.
