Project Profile

filzfelt •

Richland Library

Specifier	Margaret Sullivan Studio + Boudreaux Group
Location	Columbia SC
Product	3mm Wool Design Felt
Felt Colors	102 Kirsche, 105 Rost, 116 Orange, 125 Tomate, 150 Weiß, 274 Senf, 312 Lagune, 437 Aubergine, 503 Magnolie, 534 Rosè, 503 Magnolie, 540 Ozean, 686 Enzian, 713 Kiwi, 732 Farn

At the renovation of the Columbia, South Carolina main branch of the Richland Library, strips of saturated colors of 3mm Wool Design Felt create a vibrant wallcovering in the Business, Careers and Research Center. In the Theater upstairs, the stripes continue in more intense colors of wool felt that wrap ceiling-mounted acoustic panels.
