

Zazen Bear

Specifier	CO-Office
Location	New York NY
Product	3mm Wool Design Felt
Felt Color	200 Natur
Photographer	Seth Caplan

At Zazen Bear, a lifestyle shop located in the concourse level of Midtown Manhattan's Rockefeller Center, CO-Office sought to create a serene sanctuary from the urban storm above. The minimal color palette of natural materials includes pickled oak, glass, and 3mm Wool Design Felt in a natural, undyed grey applied as a soft, textural wallcovering throughout.
